Acknowledgements

This workshop was conducted at the invitation of the Minerals Council of Australia (MCA) during that organisation's Sustainable Development Conference held in Brisbane from 10-14 November 2003. The program for the workshop was developed by an Organising Committee consisting of Bill Biggs (WA Department of Industry and Resources), Michael Bissell (MCA), John Bywater (Qld Environmental Protection Agency), Ken Hollands (NSW Department of Mineral Resources), Michael McLeary (Qld Department of Natural Resources and Mines) and Ron McLean (ACMER). The administrative support of ACMER staff, Megan Whitta (Course Coordinator), Carol Stirk (Secretary) and Leigh Goss (Administrative Assistant) is gratefully acknowledged.

TABLE OF CONTENTS

	Page
Looking Forward with the Benefit of Hindsight	
Overview of the New South Wales derelict mines program	<i>J.I. Brisebois</i> 1
Identification, management and remediation of abandoned mine sites in Queensland	<i>O. Kadletz</i> 7
Abandoned mines in South Australia	<i>M. McLeary, S. Caplygin, R. Cox, G. Drew and G. Marshall</i> 15
The Canadian National Orphaned and Abandoned Mines Initiative (NOAMI)	<i>G. Tremblay and C. Hogan</i> 27
Stakeholder Perspectives and Perceptions	
Determining cultural heritage significance as part of the validation process in the abandoned mine sites rehabilitation program	<i>R.S. Kerr</i> 35
The role of the Wowan Dululu Landcare Group in the management of the Mount Morgan mine site	<i>J.A. Yeldham</i> 43
Rehabilitation of abandoned mine sites within the Belyando Shire Council	<i>D. Orr</i> 47
Risk Identification and Management	
Acid mine drainage from derelict mine sites in the Lower Hunter Coalfield	<i>A.M. Robertson</i> 51
Managing abandoned mine sites in Western Australia – Creating the inventory	<i>R.L. Langford, W.R. Ormsby and H.M. Howard</i> 59
Innovative Approaches for Remediation and Funding	
Rehabilitation planning for a large historic abandoned mine – Mount Morgan Mine, Central Queensland	<i>C.J. Unger, T.G. Laurencont and L.M. Heliher</i> 67
Water treatment and long-term contaminant transport from abandoned mines in NSW – Biting the bullet	<i>S.K. Dobos and K. Hollands</i> 77

TABLE OF CONTENTS (cont'd)

	Page
Innovative Approaches for Remediation and Funding (cont'd)	
Maximising the economic potential from mineralization during mine site remediation <i>F. McKinstry, J. Foley and O. Kadletz</i>	83
Risk-based closure engineering <i>G. Bentel, J. Dwyer and S. Williamson</i>	87
Funding abandoned mine sites – A New Zealand case study <i>A.R. Bowden</i>	99
Summary of Issues at the Workshop	109
List of Attendees	111
